The CCNN Live MEAs is a Golden Globes style ceremony where students from Columbus and Our Lady of Lourdes Academy honor the local news journalists who inspire them. The event draws more than 300 guests to include TV personalities, media executives, and Columbus alumni and family members. The student bodies of Columbus and sister school Our Lady of Lourdes Academy vote on the winners, in ten categories, that will be announced at the event. The event is also a fundraiser for our Emmy and national award-winning broadcast journalism program.
